

Newburgh Dunes Running Club

Social Media Policy

Newburgh Dunes Running Club operates two Facebook pages; a public page open to anyone interested in the club and running, and a private page for paid-up members. These pages are active areas where our members and running friends can get to know one another. They also allow new and prospective club members to get a feel for what a friendly, varied and sociable club we are. The private page is used to share information exclusively for paid-up members.

As well as being a channel for the committee to promote club events and activities, they are also place for club members and running friends to discuss many things related to running and running club matters including:

- Training routes, tips, advice
- Sharing race & event plans
- Welcoming new runners and members
- Organising social drinks & parties
- Co-ordinating transport to races
- Promoting occasional, ad-hoc training runs where they do not conflict with a club run/event
- Posting Newburgh Dunes Running Club photos (unless an individual has expressed that they do not wish for their photo to be published)

They are not the place for:

- Selling, Advertising or Promoting 3rd party products, services or charity postings not related to running.
- Expression of political, religious, or other potentially divisive opinion.
- Being critical, confrontational, or abusive toward other participants.
- Requesting or offering race numbers unless the race organiser permits transfers. Any content that is not running or club related should be shared via member's personal Facebook page rather than the club pages.

As a general rule, before posting think if your post or comment adds to the Newburgh Dunes Running Club community and consider what anyone would think when reading your comment (perhaps without knowing the background) or whether current members would be happy with publishing images, race times or comments in public. Please do not post content deemed to be inappropriate, in poor taste, or otherwise contrary to the purposes of the club forum.

If you are going to comment please be polite, friendly, and fair.

The committee will either ask for inappropriate posts to be removed or simply remove them. If any member has any concerns and wish to complain about any post please contact any member of the club committee.
